<p>Math:</p> 	<p>This week we continued Unit #3 on multi-digit addition and subtraction. Keep practicing those multiplication facts at home. Ask your child about how we are building a multiplication sundae at school.</p>	<h2 style="text-align: center;">Notes From Third Grade</h2> <p>Greetings from Third Grade! It has been a fabulous week. The students have been working very hard.</p> <p>Thank you to those families that donated items for Michigan's 183<sup>rd</sup> birthday celebration. We appreciate it!</p> <p>Our Valentine's celebration will be on Friday, February 14<sup>th</sup>. The students may bring valentines to pass out to the class but they must include every child in the class. As an at home project, we would like the students to make their own valentine's holder. It can be a box, bag, or whatever you please. It may be decorated to represent your child's personality. This will be their personal mailbox. Please make sure that your child's name is clearly visible. A sign-up genius will be out soon.</p> <p>We hope everyone has a wonderful weekend! Thank you for your support.</p> <p style="text-align: center;">Your Third Grade Teachers, Mrs. Maria Degenfelder &amp; Mrs. Katherine Oltersdorf <a href="mailto:maria.degenfelder@uticak12.org">maria.degenfelder@uticak12.org</a> &amp; <a href="mailto:katherine.oltersdorf@uticak12.org">katherine.oltersdorf@uticak12.org</a> Website: <a href="http://collins3rdgrade.weebly.com">http://collins3rdgrade.weebly.com</a></p> <p><b>Upcoming Events:</b> February 4<sup>th</sup>: Muffins with Mom February 7<sup>th</sup>: PTO Family Dance February 10<sup>th</sup>: PTO Meeting 3:30pm February 12<sup>th</sup>: Collins Clubs Picture Days (Science Olympiad, Student Council, etc.) February 14<sup>th</sup>: Wear red, white, or pink</p> <p><b>Collins Elementary Mission:</b> With the support of the community, the mission of Bruce Collins Elementary is to foster a caring and enriching environment that enables all students to grow academically and socially to reach their individual potential, as they become lifelong learners.</p>
<p>Language Arts:</p> 	<p>This week we discussed how each event in history is unique. The genre we focused on was expository text. Our skill focus was on sequencing and suffixes. We also continued reading the novel <u>Charlotte's Web</u>.</p>	
<p>Science:</p> 	<p>This week we continued our unit on life cycles of organisms.</p>	
<p>Social Studies:</p> 	<p>This week we discussed Martin Luther King Jr.</p>
