<p>Math:</p> 	<p>This week we completed Unit #3. The students will be having a test on Monday. Please look over the reviews that came home throughout the week. Keep practicing those multiplication facts at home!</p>	<h2>Notes From Third Grade</h2> <p>Greetings from Third Grade! It has been a fabulous week. The students have been working very hard.</p> <p>Our Valentine's celebration will be on Friday, February 14th. The students may bring valentines to pass out to the class but they must include every child in the class. As an at home project, we would like the students to make their own valentine's holder. It can be a box, bag, or whatever you please. It may be decorated to represent your child's personality. This will be their personal mailbox. Please make sure that your child's name is clearly visible. A sign-up genius came out this week.</p> <p>We hope everyone has a wonderful weekend! Thank you for your support.</p> <p style="text-align: center;">Your Third Grade Teachers, Mrs. Maria Degenfelder & Mrs. Katherine Oltersdorf maria.degenfelder@uticak12.org & katherine.oldersdorf@uticak12.org Website: http://collins3rdgrade.weebly.com</p> <p>Upcoming Events: February 10th: PTO Meeting 3:30pm February 12th: Collins Clubs Picture Days (Science Olympiad, Student Council, etc.) February 14th: Wear red, white, or pink February 17th:21st: Winter Break</p> <p>Collins Elementary Mission: With the support of the community, the mission of Bruce Collins Elementary is to foster a caring and enriching environment that enables all students to grow academically and socially to reach their individual potential, as they become lifelong learners.</p>
<p>Language Arts:</p> 	<p>This week we reviewed Unit #3 in reading. We also finished reading the novel <u>Charlotte's Web</u>.</p>
